Overview

Boyfriend Material London Calling is the second installment in Alexis Hall's Boyfriend Material series. It follows Luc O'Donnell and Oliver Blackwood, two characters who were introduced in the first book, Boyfriend Material. Luc is a lawyer and Oliver is an actor, and they have been in a fake relationship for the past few months.

In Boyfriend Material London Calling, Luc and Oliver's fake relationship is put to the test when they are invited to London for a play that Oliver is starring in. While in London, they must navigate the ups and downs of their relationship, while also dealing with the pressures of the press and the public eye.

Review

Boyfriend Material London Calling is a witty, charming, and heart-wrenching novel that I absolutely loved. Hall has a gift for writing characters that are both relatable and complex, and I found myself rooting for Luc and Oliver from the very beginning.

The banter between Luc and Oliver is one of the best parts of the book. They are both quick-witted and intelligent, and their conversations are always entertaining. I especially enjoyed the scenes where they are trying to fool the press into thinking that they are in a real relationship.

In addition to the witty banter, Boyfriend Material London Calling also has a lot of heart. Luc and Oliver are both dealing with their own personal issues, and they must learn to open up to each other in Free Download to make their relationship work. I found the scenes where they are talking about their feelings to be very moving, and I was rooting for them to find happiness together.

Overall, I highly recommend Boyfriend Material London Calling to fans of contemporary romance. It is a well-written and entertaining novel with characters that you will fall in love with.

Rating

5/5 stars

About the Author

Alexis Hall is a British author of contemporary romance and fantasy novels. He is best known for his Boyfriend Material series, which has been praised for its witty banter, complex characters, and heart-wrenching moments.

Hall's other works include Glitterati, Pantomime, and Something Fabulous. He has also written for television and stage.

Call to Action

If you are looking for a witty, charming, and heart-wrenching read, then I highly recommend Boyfriend Material London Calling. It is a novel that you will not soon forget.
