The interviews were conducted over a period of many years by music journalist Martin Aston, and they cover a wide range of topics, from the artists' early influences to their songwriting process to their thoughts on the music industry. Aston's questions are insightful and probing, and the artists themselves are remarkably candid and revealing.

The result is a book that is both informative and entertaining. Music lovers will find themselves engrossed in these interviews, and they will come away with a new appreciation for the artists they love.

**Here are just a few of the highlights from the book:**

- David Bowie discusses his early days as a mime artist, his influences, and his creative process.
- Iggy Pop talks about his wild years with The Stooges, his addiction to heroin, and his struggles with mental illness.
- Patti Smith reflects on her career as a poet, musician, and artist, and she shares her thoughts on feminism and the importance of staying true to yourself.
- Nick Cave talks about his love of darkness, his fascination with death, and his belief in the power of music to heal.

Chopped Herring Records: The Interviews Volume 1 is a must-read for any music lover. It is a unique and insightful look into the minds of some of the most iconic artists of our time.
