  - Red
  - Green
  - Brown
  - Black
- Embroidery needle
- Scissors

## **Instructions**

1. Begin by centering the pattern on the Aida cloth. Use a light-colored pencil to lightly mark the center of the design on the cloth.
2. Thread the embroidery needle with one strand of red floss. Start stitching at the center of the design. Follow the pattern chart to stitch the cross stitches in the correct colors.
3. Continue stitching until the design is complete. Be sure to keep your stitches even and tight.

4. Once the design is complete, trim any excess floss from the back of the cloth.

## Tips

- If you are a beginner, it is helpful to start with a small project like this one.
- Use sharp scissors to cut the floss. Dull scissors can fray the floss and make it difficult to work with.
