In this candid and emotionally evocative memoir, the author chronicles her experiences as she navigates the complexities of providing support to terminally ill patients and their families. From the poignant to the side-splittingly funny, she paints a vivid tapestry of the human experience at its most fragile and resilient.

Beyond the laughter, the author also delves into the profound emotional challenges that come with working with the dying. She explores the

complexities of grief, loss, and the importance of finding meaning amidst suffering. With sensitivity and empathy, she shares insights into the human capacity for resilience, compassion, and the enduring power of love.
