Now, renowned photographer Kamel Sadi takes us on an intimate journey through Cooper's mesmerizing world in his stunning new book, *Orbit Alice Cooper*.

Through a collection of over 200 captivating images, Sadi captures the essence of the rock legend, both on and off stage. We witness Cooper's electrifying performances, his private moments, and his enduring passion for music.

Sadi's photographs are not just mere documentation; they are works of art in their own right. His keen eye for detail and mastery of light and shadow create evocative images that transport us into Cooper's enigmatic orbit.

In *Orbit Alice Cooper*, we see the many facets of the rock icon. There's the flamboyant showman with his signature eyeliner and snake boa, the introspective artist lost in his own thoughts, and the down-to-earth family man.

Sadi's intimate access to Cooper allows him to capture moments of vulnerability, humor, and raw emotion. We see Cooper backstage, exhausted but still radiating a magnetic presence. We witness him interacting with his bandmates and fans, sharing laughs and heartfelt connections.

Beyond the iconic stage persona, *Orbit Alice Cooper* reveals the man behind the legend. Sadi's photographs show us Cooper as a passionate advocate for animal rights, a dedicated husband and father, and a humble soul with a deep appreciation for his fans.

This coffee table book is not just a collection of photographs; it's a visual love letter to one of the greatest entertainers of all time. Sadi's images are a testament to Cooper's enduring legacy and the transformative power of rock music.
