## **A Companion on the Path of Self-Realization**

Self-help poetry is not merely a compilation of flowery verses; it is a companion, a guide, and a source of solace on the path of self-realization. These poems delve into the depths of human experience, exploring themes of love, loss, pain, joy, and the search for meaning.

By weaving together lyrical prose and heartfelt affirmations, this book provides gentle reminders of the inherent worthiness, resilience, and potential that lie within each individual. It whispers encouragement to those who have lost their way, offering a lifeline of hope and a path back to their true selves.

## **The Home Within: A Sanctuary of Peace**

The title of the book, "Self Help Poetry: Spiritual Affirmations to Remind You of the Home Within," alludes to the profound truth that within every person exists a sanctuary of peace, love, and belonging. This home is not a physical place but a state of mind, a connection to one's own inner essence.

Through the evocative imagery and soothing rhythms of these poems, readers are guided towards rediscovering this inner home. They are invited to quiet the noise of the external world and to listen to the gentle whispers of their own hearts, where true wisdom and guidance reside.

## **Mindful Reflections and Positive Affirmations**

Each poem in "Self Help Poetry" is crafted to be both a mindful reflection and a positive affirmation. They encourage readers to pause, to be present, and to observe their thoughts and emotions without judgment. By doing so, they create a space for self-awareness and self-compassion.

Furthermore, the poems are imbued with affirmations that reinforce positive self-beliefs and empower readers to overcome challenges, embrace their strengths, and live a more fulfilling life. These affirmations are like seeds planted in the fertile soil of the mind, reminding readers of their inherent greatness and inspiring them to reach for their full potential.

## **Examples of Poems from the Collection**

To give a glimpse into the transformative power of this collection, here are a few excerpts from the poems:

## SANCTUARY

You took me where cosmos bloom  
with the euphoric spell of a lovesome kiss.  
Your arms held me like a dreamier moment,  
that you wished to engrave in your heart  
and your skin.

We spoke of how the sun is never crescent —  
and how the moon is not always full.  
We spoke of how you are mine, completely.  
And my soul — my body, belong only to you.

— Claude Estavez

### The Journey Within

Thus begins the journey within,  
The journey of journeys.  
Once in a life journey,  
Unknown when it began,  
Unknown where it ends,  
With questions arising from,  
Everywhere within -  
'Who Thou',  
'Thyself what of Thou? !'

Three scores and a ten would pass,  
With heart-aches and heart-breaks,  
For 'Thou' to unfold and,  
Answer 'Thyself' to console;  
No scores more shall fly from now,  
If 'Thyself' seeks answers for 'Self'!

Answers from everywhere,  
Alchemist the Almighty,  
Who works through signals divine,  
Meant only to you while alone,  
In his thoughts when you are lost,  
At a time when you least expect!

"Love & Embrace else (everyone & everything),  
Like your own-self,  
Nothing more,  
And nothing beyond!"

The message straight & clear,  
Heard from everywhere;  
For 'Thou' the omnipresent,  
Is in thyself and elsewhere,  
Spread uniform throughout and,  
You can't love else (anyone or anything),  
Much more than self,  
Hence the message!

Thus ends the Journey within,  
'Thyself' identified with 'Thou'  
And 'Thou' with 'Thyself'!

## The Journey Within

A journey inward, where truth unfolds,  
A labyrinth of emotions that my soul holds.  
Through shadows and light, my spirit will roam,  
Seeking the essence of who I am at home.

## **Embrace**

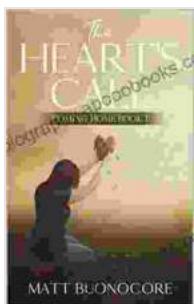

You know the parlor trick,  
wrap your arms around your own body  
and from the back it looks like  
someone is embracing you  
her hands grasping your shirt  
her fingernails teasing your neck  
from the front it is another story  
you never looked so alone  
your crossed elbows and screwy grin  
  
you could be waiting for a tailor  
to fit you with a straight jacket  
one that would hold you really tight.
