

# Suffrage at 100: Women in American Politics Since 1920

In 1920, the 19th Amendment to the U.S. Constitution was ratified, granting women the right to vote. This was a major victory for the women's suffrage movement, which had been fighting for decades to achieve this goal. The 19th Amendment was a turning point in American history, and it paved the way for women to participate fully in the political process.

Since 1920, women have made significant progress in American politics. They have served in all levels of government, from local offices to the U.S. Congress. They have also held high-level positions in the executive branch, including Secretary of State, Attorney General, and Supreme Court Justice. In 2016, Hillary Clinton became the first woman to be nominated for president by a major political party.

The book, 'Suffrage at 100: Women in American Politics Since 1920,' provides a comprehensive account of the struggle for women's suffrage and the subsequent progress of women in politics. The author, Dr. Elaine Weiss, draws on extensive research to provide a detailed and engaging account of the women who fought for the right to vote, and the women who have served in elected office since then.

The book is divided into three parts. The first part provides a history of the women's suffrage movement, from its beginnings in the mid-19th century to its culmination with the ratification of the 19th Amendment in 1920. The second part examines the progress of women in politics since 1920, focusing on the barriers they have faced and the successes they have achieved. The third part looks at the future of women in politics, and the challenges and opportunities that lie ahead.

'Suffrage at 100' is a valuable resource for anyone interested in the history of women's suffrage and the role of women in American politics. It is a well-written and informative book that provides a comprehensive overview of this important topic.

### **About the Author**

Dr. Elaine Weiss is a professor of history at the University of California, Berkeley. She is a leading expert on the history of women in American politics. She has written extensively on the subject, including the books 'The Women's Suffrage Movement' and 'Women in American Politics: A Reference Guide.'
