Meet the Characters

Dr. Bee Königswasser

Bee is a brilliant astrophysicist with a sharp mind and a determined spirit. Driven by her passion for space, she has dedicated her life to unraveling the mysteries of the universe. However, her meticulous nature and unwavering focus often leave her oblivious to the world around her.

Dr. Levi Ward

Levi is a skilled engineer with a charming wit and a mysterious past. His easygoing demeanor conceals a deep intelligence and a drive to prove

himself. Despite his initial hostility towards Bee, he gradually finds himself drawn to her intelligence and determination.

A Clash of Worlds

When Bee and Levi are forced to share a lab, their contrasting worlds collide. Bee's organized chaos and relentless pursuit of knowledge clash with Levi's laid-back efficiency and aversion to scientific complexities. As they navigate their differences, they realize that their initial preconceptions may not have been entirely accurate.

Unexpected Sparks

As they spend more time together, Bee and Levi discover unexpected sparks between them. Their intellectual debates give way to shared laughter and stolen glances. However, their growing attraction is complicated by their professional rivalry and their fears of getting hurt.

A Journey of Discovery

"Under One Roof" is not just a love story; it is also a journey of discovery and self-acceptance. Bee learns to embrace her quirks and to let go of her fear of failure. Levi confronts his past and discovers that his intelligence and determination can be used for more than just personal gain.
