The book "Rooted India 75 And We The People" offers a unique perspective on these questions. Through a collection of essays, speeches, and interviews, the book explores the rich tapestry of Indian culture, history, and identity.

The book is divided into four sections:

- **India's Heritage:** This section examines the ancient roots of Indian civilization, from the Indus Valley Civilization to the Mughal Empire.
- **India's Independence:** This section chronicles the struggle for independence from British rule, led by Mahatma Gandhi and other

great leaders.

- **India's Republic:** This section explores the challenges and triumphs of building a new nation, from the adoption of the Constitution to the present day.
- **India's Future:** This section looks ahead to the future of India, and the challenges and opportunities that lie ahead.

"Rooted India 75 And We The People" is a must-read for anyone who wants to understand the true meaning of India. It is a book that will inspire and inform, and help us to build a better future for our nation.
